# Summer Internship Program

Amegy Bank's Summer Internship Program is designed to provide college students with an opportunity to gain knowledge, experience, and exposure in the banking industry. The well-rounded summer experience including hands-on assignments, programmed trainings, and events will leave students feeling energized, knowledgeable and excited about career opportunities in the commercial banking industry.

Interns are either assigned to a specific lending group (Houston interns) or rotate through several lending groups (Dallas, Fort Worth, Arlington, and San Antonio interns) during the program. The lending groups vary by market.

- Commercial Banking
- Business Banking
- Private Banking
- Corporate Banking
- Commercial Real Estate
- Energy
- Healthcare and Not-for-Profit
- International

Responsibilities include but are not limited to:

- Conducting industry research
- Preparing client prospect lists
- Scheduling appointments with prospective clients
- Assisting with credit presentations
- Observing the process of spreading financial statements and underwriting loans

The internship experience includes networking events with executives and other managers around the Bank, professional development and training sessions, overviews of various areas of the Bank, deal discussions, presentations by the interns, field trips, and volunteer opportunities.

The Internship is a paid position. The bank does not provide housing for interns.
