**AMEGY BANK-CENTRAL TEXAS TO MOVE HEADQUARTERS,
ADD BANKING CENTER TO DOWNTOWN SAN ANTONIO**

SAN ANTONIO (May 28, 2024) — Amegy Bank will relocate its Central Texas headquarters to a downtown San Antonio high rise, 300 Convent, San Antonio, TX 78205, and add a banking center to the building's ground floor. The strategic move will place Amegy Bank in the geographic center of the city's economic expansion, collaboration and customer proximity.

San Antonio Mayor Ron Nirenberg said, "Amegy Bank will make a transformational addition to our growing downtown, expanding critical access to industry-leading financial solutions and counsel for the community's businesses and families."

With scenic views from the 21st and 22nd floors, spanning over 40,000 square feet, the new downtown hub will accommodate a combined 100 offices and workstations, a conference center for large customer and community events, as well as smaller meeting spaces.

"We have had the privilege of growing alongside local families and businesses since our humble start in San Antonio almost 20 years ago," said Amegy Bank-Central Texas CEO David McGee. "Our new space, situated at the cornerstone of the community and commerce, will allow us to stay on pace with serving San Antonio's rapid growth for years to come. We couldn't be more excited to join downtown's dynamic business ecosystem and talent."

Downtown San Antonio businesses and organizations, like Centro San Antonio, are already looking forward to welcoming Amegy Bank as a downtown neighbor. Fostering downtown's mission for innovation and community, Centro is a diverse coalition of young professionals, artists, business and property owners and community advocates, all dedicated to serving downtown.

"We're thrilled to welcome Amegy as our partner in moving downtown forward, and in joining us as neighbors and colleagues," said Trish DeBerry, president and CEO of Centro San Antonio. "Amegy brings a fresh dynamic to our city center, infusing new energy and shaping our downtown landscape by investing in what lies ahead. Downtown San Antonio is ushering in a new era of growth, and we are thrilled to have Amegy spearhead these developments as we look to expand on the momentum shaping our community and city."

Amegy Bank's new downtown banking center will open in early 2025 when headquarter office employees plan to take residency of the new office space, managed by Patrinely.
